

CHRON

“time”

CHRONOLOGICAL

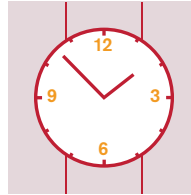

time

ordered

Chronological

Arranged in time order

I keep my journals arranged *chronologically* on the bookshelf.

CHRONOMETER

time

measure

Chronometer

Any timepiece, especially a wristwatch, designed to measure time with high accuracy

I use the pool's *chronometer* to time my swim laps.

SYNCHRONIZE

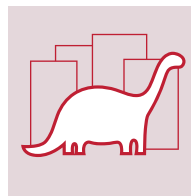

same

time

Synchronize

Occurring at exactly the same time and exactly together

The *synchronized* swimmers beautifully echoed each other's movements.

ANACHRONISTIC

not

time

Anachronistic

Someone or something that is not in the correct historical or chronological time

A dinosaur walking through downtown would be *anachronistic*.
